Important notes

- ▶ This document is intended to provide a summary listing of administrative and legislative developments around the world relating to the implementation of the global minimum tax rules being developed under Pillar Two of the OECD/G20 BEPS 2.0 project. It provides an overview of developments in various jurisdictions, including the dates on which the relevant authorities, institutions, or legislative bodies have made public announcements or released official documents related to Pillar Two.
- ▶ It is important to note that the information provided in this document is subject to change. Although it is updated on a periodic basis to include the latest developments, it does not represent, and should not be viewed as representing, an exhaustive listing of the relevant news and developments with respect to the implementation of Pillar Two of the OECD/G20 BEPS 2.0 project.
- ▶ This material has been prepared for general informational purposes only and is not intended to be relied upon as accounting, tax, legal or other professional advice. It should not be relied upon for penalty protection or for any other purpose except for obtaining general familiarity with the subject matter thereof.
- ▶ The status summary herein is intended to be generic and should not be relied upon for the purposes of assessing any specific fact patterns. The administrative and legislative developments summarized in this document include items that have not been enacted and may undergo significant changes before they become law.
- ▶ Find the most current version of this tracker on [ey.com](https://www.ey.com).
- ▶ To check for new developments or if you have questions regarding the specific items contained herein, please contact your EY engagement team or the EY professionals included in this document.
