# Business valuation

## About the program:

With thousands of start-ups, heightened M&A activity, a plethora of IPOs, investors with deep pockets and a strong intangibles market, valuation is a skill that is imperative for finance professionals.

The aim of the business valuation training program is to provide comprehensive knowledge on valuation of business and allied areas such as intangibles, understanding business models, financial statements forecasting, international valuation standards and much more.

This program will cover:

- ▶ Basics around Business Valuation and Business Models
- ▶ Valuation approaches and methodology
- ▶ Understanding economy and industry
- ▶ Financial Statements forecasting
- ▶ Valuation for a variety of cases, such as start-ups, privately held large corporations, intangibles, employee stock options (ESO), valuation for mergers and acquisitions (M&A), and more
- ▶ Valuation of companies in specific industries (e.g., manufacturing, EdTech, FinTech etc.)

## Who should attend?

- ▶ Investment Bankers, Private Equity Professionals, and Venture Capitalists
- ▶ Equity Researchers
- ▶ Corporate Finance Professionals
- ▶ Chartered Accountants and Financial Analysts
- ▶ MBA graduates with a focus on finance
- ▶ Start Up Founders
- ▶ Entrepreneurs
- ▶ Finance students aiming to launch a career in valuation
- ▶ Non-finance personnel looking forward to gain a deeper understanding of valuation

The program aims to develop a broad idea around valuation with the help of real-life examples.

# Program agenda

- Introducing Business Valuation
- Understanding the economy and industry
- Understanding Business and Business Models
- Analyzing Financial Statements
- Financial Statement forecasting
- Cost of Capital / Discount rates
- Overview of International Valuation Standards
- Valuation approaches and methodologies

## About EY Learning Solutions

In today's dynamic business environment, characterized by constant organizational transformation and regulatory changes, having a flexible and cost-effective workforce is crucial. High-quality training is a vital component of innovative talent management, enhancing performance and ensuring that your teams can effectively respond to today's challenges, thereby equipping them for career success.

At EY FAAS, we recognized this need and, in response, established a dedicated "Learning Solution" practice to assist corporate and practicing professionals in navigating new requirements. FAAS Learning Solutions complements EY's primary range of services, offering tailored training solutions for our clients and business communities across India, Europe, the Middle East and Africa. Our multidisciplinary team of trainers from around the world ensures a global perspective in our training programs, reflecting the insights of a globally integrated firm.

All training programs are regularly updated to align with changing trends and guidance. Our practical, relevant and stimulating courses are led by highly competent trainers with first-hand knowledge of the subject matter. We acknowledge that each client has a unique history, size, location and sector; thus, programs can be tailored to the specific needs of your business.

## Ernst & Young Associates LLP

### EY | Building a better working world

EY exists to build a better working world, helping to create long-term value for clients, people and society and build trust in the capital markets.

Enabled by data and technology, diverse EY teams in over 150 countries provide trust through assurance and help clients grow, transform and operate.

Working across assurance, consulting, law, strategy, tax and transactions, EY teams ask better questions to find new answers for the complex issues facing our world today.

EY refers to the global organization, and may refer to one or more, of the member firms of Ernst & Young Global Limited, each of which is a separate legal entity. Ernst & Young Global Limited, a UK company limited by guarantee, does not provide services to clients. Information about how EY collects and uses personal data and a description of the rights individuals have under data protection legislation are available via [ey.com/privacy](https://ey.com/privacy). EYG member firms do not practice law where prohibited by local laws. For more information about our organization, please visit [ey.com](https://ey.com).

Ernst & Young Associates LLP is one of the Indian client serving member firms of EYGM Limited. For more information about our organization, please visit [www.ey.com/en\\_in](https://www.ey.com/en_in).

Ernst & Young Associates LLP is a Limited Liability Partnership, registered under the Limited Liability Partnership Act, 2008 in India, having its registered office at 6th Floor, Worldmark-1, Asset Area 11, Hospitality District, Indira Gandhi International Airport, New Delhi-110037, India.
