

EY Trusted Verification

Building a better
working world

EY Trusted Verification

can equip organizations with a robust pre-hiring screening process that validates information furnished by prospective employees. Onboarding candidates without a thorough assessment of their employment and personal history can make companies and their various stakeholders highly vulnerable. Proactive verification plays an integral role in enabling organizations identify and prevent compliance, ethical, financial, and reputational risks in the long run.

Why EY Trusted Verification?

01
