Union **BUDGET** 2025-26

#EYonBudget2025

Shape the future
with confidence

Macro fiscal

- **Growth:** The Economic Survey 2024-25 projected a real GDP growth for FY26 between 6.3% to 6.8%.
- **Revenue highlights: FY26 (BE) over FY25 (RE)**
 - Gross Tax Revenue (GTR) growth budgeted at 10.8%.
 - Net tax receipts (net to centre) budgeted to grow at 11%.
 - Gross direct tax growth budgeted at 12.7%.
 - Gross indirect tax growth budgeted at 8.3%.
- **Expenditure priorities**
 - The Government of India's capital expenditure has been kept at INR11.2 lakh crore for FY26 (BE) or 3.1% of GDP for infrastructure investment.
 - Allocation of INR1.5 lakh crore for long-term interest-free loans for states.
 - Revenue expenditure growth is budgeted at 6.7% in FY26 (BE).
- **Continuing focus on fiscal consolidation**
 - Fiscal deficit for FY25 (RE) improved to 4.8% of the GDP as against 4.9% budgeted earlier.
 - Fiscal deficit for FY26 (BE) budgeted at 4.4% of the GDP.
 - The Budget seeks a healthy balance between fiscal consolidation and boosting consumption.

4.4% of GDP

Fiscal deficit target for FY26

Capital expenditure increased by 10.1% in FY26 (BE) over FY25 (RE)

Policy

- **Agricultural District Programme:** Enhancing agricultural productivity and access to credit. A six-year mission will focus on achieving self-reliance in pulses will also be launched.
- **Support for MSMEs:** Enhancing investment and turnover limits by 2.5 times, improving credit guarantee cover.
- **Continuing focus on skilling:** A Centre of Excellence in AI for education will be set up with a total outlay of INR500 crore.
- **Focus on urban sectors:** Urban Challenge Fund of INR1 lakh crore to be set up to implement the proposals for 'Cities as Growth Hubs.'
- **Start-up, innovation and entrepreneurship:** INR20,000 crore allocated for private-sector driven research.
- **Domestic Manufacturing Mission:** The National Manufacturing Mission will be

established to incentivize large-scale electronics manufacturing and promote sustainable toy production.

- **Sustained energy transition efforts:** Nuclear Energy Mission for R&D of Small Modular Reactors (SMRs) with an outlay of INR20,000 crore to be set up. Support for clean tech manufacturing also to be provided.
- **Ease of doing business:** Committee for Regulatory Reforms to be set up for reviewing all non-financial sector regulations, certifications, licenses, and permissions.
- **Export Promotion Mission:** Easy access to export credit and cross-border factoring support to MSMEs to tackle non-tariff measures in overseas markets.
- **Regulatory reforms:** High-level committee to be set up for a review of all non-financial sector regulations.

Nuclear Energy Mission for Small Modular Reactors

National Manufacturing Mission to be established

Five National Centres of Excellence for skilling to be set up

Fund of Funds to support start-ups

Corporate Tax (1/3)

- A new Income Tax Bill (Bill 2025) would be placed in Parliament next week
 - It is clear and direct in text, with close to half of the present law
 - It is also simple to understand, leading to tax certainty and reduced litigation
- The time limit to file an updated tax return is extended to five years (as compared to three years) from the end of the financial year, effective April 1, 2025
 - An additional 60% tax is payable if filed after three years but within four years from the end of the financial year
 - An additional 70% tax payable if filed after four years but within five years from the end of the financial year
- Disallow filing updated tax return if reassessment notice is issued after four years from the end of the financial year, unless such reassessment is dropped
- Effective FY 2025-26, non-residents providing services or technology for notified electronics manufacturing in India will be taxed on presumptive tax rate of 25% of gross receipts, at an effective rate below 10%
- Non-residents' purchases in India for export do not create a significant economic presence w.e.f. financial year 2025-26
- Extend tonnage tax scheme to inland vessels registered under Indian Vessels Act, 2021 to promote inland water transport - w.e.f. financial year 2025-26
- Extend last date for incorporation of eligible start-ups for tax holiday of three years out of first 10 years from 31 March 2025 to 31 March 2030
- Extend last date for investment by Sovereign Wealth Funds and Pension Funds for exemption from 31 March 2025 to 31 March 2030

Corporate Tax (2/3)

	Existing	Proposed
Rates w.e.f. 1 April 2025:		
TDS on payment of income by securitization trust to resident individual and HUFs investors	25% for individual investors, and 30% for HUF investors	10%
Annual thresholds w.e.f. 1 April 2025 for resident payee:		
TDS on interest on securities	Nil	INR 0.1 lakh

TDS on winnings from lottery or crossword puzzle or any other game and horse race	<ul style="list-style-type: none"> ▪ Aggregate of amounts exceeding INR 0.1 lakh in a financial year 	<ul style="list-style-type: none"> ▪ INR 0.1 lakh per transaction
TCS for LRS remittance and overseas tour program package	<ul style="list-style-type: none"> ▪ INR 7 lakh per financial year 	<ul style="list-style-type: none"> ▪ INR 10 lakh per financial year

Corporate Tax (3/3)

- Rationalization of TDS and TCS provisions w.e.f. 1 April 2025:
 - No requirement to collect TCS on LRS remittance by way of loan from financial institutions for education
 - No requirement to collect TCS on sale of goods
 - No requirement to deduct or collect tax at higher rate where deductees' have not filed tax returns
 - Delay in deposit of TCS collected till the date of filing TCS statement is de-criminalized
- Extend validity of registration for small charitable trust from existing five years to 10 years w.e.f. 1 April 2025
- Person making contribution of more than INR1 lakh during financial year or aggregate of INR10 lakh up to the end of the financial year (i.e. Substantial Contributor) shall be considered as related party of charitable trust - w.e.f. 1 April 2025
 - Further, relative and concern of such Substantial Contributor are not to be treated as related party
- Effective 1 April 2026, a new annual reporting requirement for crypto assets will be implemented, with specific rules to define the reporting entities, information scope, reporting method and due diligence procedures
 - From FY 2025-26, the definition of virtual digital asset will broaden to encompass any crypto asset that uses cryptographic, distributed ledger technology for transaction validation and security

International Tax

- Presumptive taxation for setting up an electronics manufacturing facility
 - Proposal to introduce new presumptive taxation for non-resident providing services/ technology for setting up an electronics manufacturing facility.
 - The proposal deems 25% of the total amount a non-resident receives or is due to receive for providing services or technology as profits or gains.
 - The proposal will result in an effective tax payable of less than 10% tax on gross receipts by non-resident.
 - This amendment will be effective from 1 April 2026 (financial year 2025-26).
- No specific proposal on Pillar Two/ Global Minimum Tax implementation in India.
- Significant economic presence (SEP) provision harmonized in line with business connection provisions
 - SEP will not apply to non-residents involved in the purchase of goods in India for export.
 - This amendment will be effective from 1 April 2026 (financial year 2025-26).

Semiconductor -
presumptive taxation
25% deemed income

**Effective tax rate
< 10%**

**SEP to exclude
purchase for
exports**

Transaction Tax

- Procedure for speedy approval of company mergers will be rationalized. Also, scope for fast-track mergers to be widened with simplified process
- Loss transitioned to successor entity pursuant to amalgamation or business re-organizations shall be available for carry forward and set-off for not more than eight years immediately succeeding the assessment year for which such loss was first computed for predecessor entity
- Long-term capital gains (LTCG) tax for business trusts (Real Estate Investment Trust, Infrastructure Investment Trust) rationalized to 12.5% (plus applicable surcharge and cess), not subject to tax at maximum marginal rate
- LTCG tax on transfer of certain securities by Foreign Institutional Investors (FIIs) rationalized from 10% to 12.5% (plus applicable surcharge and cess)
- Securities held by Category-I and Category-II Alternative Investment Fund shall be treated as 'capital asset' only and income arising therefrom to be in the nature of capital gains

**Merger process
to be simplified**

**LTCG tax rationalized
for business trusts and
FIIs: 12.5%**

Transfer Pricing

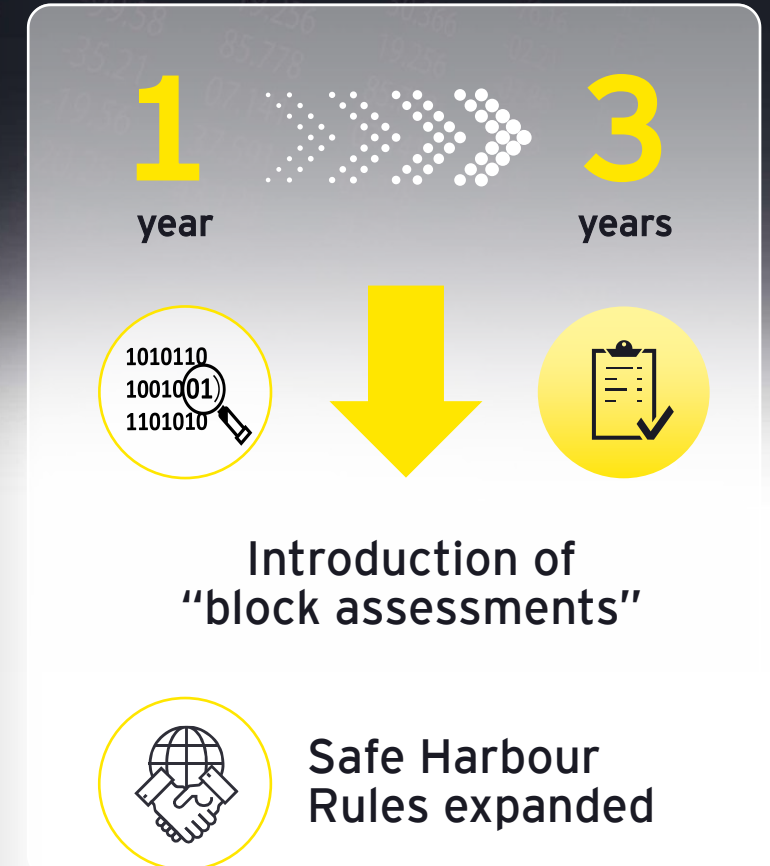

■ Introduction of “assessments in a block” for Transfer Pricing (TP)

- Currently, the TP audits are undertaken for each financial year (FY) on a standalone basis.
- Proposal to enable TP assessments or audits in a block to cover a period of three FYs.
- Amendment proposed to conform to international standards on TP audits, and reduce compliance burden on taxpayers and administration burden on TPOs where transactions are same or similar.
- Elective option provided to taxpayers upon reference made for a transfer pricing audit for an FY.
 - Option is not available for cases involving search and seizures.
- Option to be exercised by taxpayers within such time frame and in such form as may be prescribed.
- The Transfer Pricing Officer (TPO) must verify and declare if the taxpayer’s option is valid based on certain conditions.

- If the TPO declares the option exercised as valid, the arm’s length price (ALP) determined for a financial year will also apply to the two consecutive FYs for similar transactions.
- The assessing officer (AO) will recompute the total income of the three FYs in conformity with the ALP determined by the TPO and the Dispute Resolution Panel.
- This adjustment will be done within three months after the month when the assessment or audit is completed.
- The Central Board of Direct Taxes (CBDT) can issue guidelines to clarify any issues, which must be approved by Parliament and will be binding on both taxpayers and tax authorities.
- This amendment will be effective from 1 April 2026 (financial year 2025-26).

■ Expansion of Safe Harbour Rules

- Stated intent in the Budget Speech by the Finance Minister to expand Safe Harbour Rules to reduce litigation and provide certainty.

Goods and Services Tax

- The phrase "plant or machinery" has been replaced with "plant and machinery" retrospectively in Section 17(5)(d) of the CGST Act 2017
- Supply of goods warehoused in SEZ or FTWZ to any person, before clearance for exports or to the DTA shall be treated neither supply of goods nor as supply of services retrospectively
- Provisions relating to time of supply for vouchers to be omitted to emphasis on non levy of GST on vouchers
- Reduction in liability on credit note not permitted if ITC availed has not been reversed by the recipient or tax incidence has been passed on to any other person
- A pre-deposit of 10% of penalty amount is required for filing appeal before First Appellate Authority and GST Appellate Tribunal in case where the order involves only penalty

Vouchers related provisions omitted

Amendment in Section 17(5)(d) to overrule SC Safari retreat judgment

10% pre-deposit on order involves only penalty

Supply of goods in FTWZ
No GST

Customs

- Customs duty rates are rationalized to support domestic manufacturing and value addition, promote exports and facilitate trade
- An interim board will be set up to carry out functions related to settlements of cases
- Definitive timelines have been provided for finalization of provisional assessment
- A new mechanism to be introduced for revision of entry post clearance of goods allowing importers and exporters to voluntarily revise any entry within a prescribed time

Set up of interim board

Time line for provisional assessment prescribed

Personal Tax (1/2)

- New Income Tax Bill to be introduced, which will focus on simplicity and ease of understanding for both taxpayers and tax administrators.
- Under the New Tax Regime (NTR), incomes up to INR12 lakh are not subject to income tax.
- NTR now provides a change in the tax structure with reduced slabs as under:
 - Up to INR4 lakh – Nil
 - INR4 lakh to INR8 lakh – 5%
 - INR8 lakh to INR12 lakh – 10%
 - INR12 lakh to INR16 lakh – 15%
 - INR16 lakh to INR20 lakh – 20%
 - INR20 lakh to INR24 lakh – 25%
 - Above INR24 lakh – 30%
- Under the NTR, individuals will have tax savings as follows:
 - Income of INR12 lakh to INR80,000
 - Income of INR18 lakh to INR70,000
 - Income of INR25 lakh to INR1,10,000
- Increase in annual threshold limits of TDS for better clarity and uniformity:
 - Rental income of individuals – INR2,40,000 to INR6,00,000 (INR50,000 per month or part of the month)
 - Dividend for individual shareholders – INR5,000 to INR10,000
 - Interest on securities – Nil to INR10,000
 - Interest other than interest on securities for individuals – INR40,000 to INR50,000 (For senior citizens - INR50,000 to INR100,000)

New Income Tax Bill to be introduced

**No income tax under NTR
Up to INR12 lakh**

Personal Tax (2/2)

- Increase in threshold for TCS on remittances under Liberalised Remittance Scheme (LRS) from INR7 lakh to INR10 lakh.
- The time limit to file updated return is extended from two years to four years from the end of the relevant assessment year.
- No TCS on remittances for education purposes where such remittance is funded through a loan taken from a specified financial institution.
- Removal of higher TDS/TCS for non filers of return of income to reduce compliance burden on taxpayers.
- NPS Vatsalya accounts to get the same tax treatment as normal NPS accounts.
- Annual value of self occupied properties (up to two properties) shall be taken as Nil if the owner occupies it for own residence or cannot occupy it for any reason.

Agriculture (1/4)

Infrastructure

- Prime Minister Dhan-Dhaanya Krishi Yojana
 - Agri Districts Programme will be developed to cover 100 districts with low productivity, moderate crop intensity and below-average credit parameter which is likely to help 1.7 crore farmers
- Urea plant in Assam
 - Plant with annual capacity of 12.7 lakh metric tons will be set up at Namrup, Assam
- National Geospatial Mission
 - National Geospatial Mission to launch for geospatial infrastructure and data, aiding land records, urban planning and infrastructure design

- Western Koshi Canal Project in Mithilanchal
 - Financial aid for Western Koshi Canal ERM Project to benefit farmers across 50,000 hectares in Bihar's Mithilanchal region
- Warehousing facility for air cargo
 - Upgradation of infrastructure and warehousing for air cargo including high value perishable horticulture produce

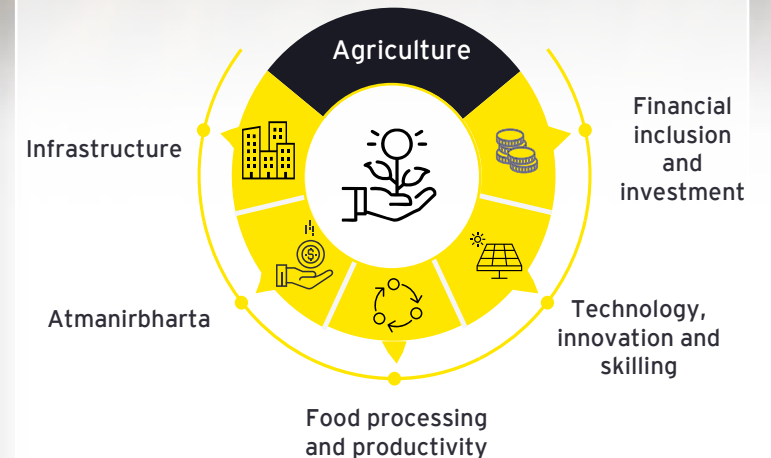

Atmanirbharta

- Aatmanirbharta in Pulses
 - Six-year "Mission for Aatmanirbharta in Pulses" will be launched with a special focus on Tur, Urad and Masoor
- Mission for Cotton Productivity
 - Five-year mission to facilitate improvements in productivity and sustainability of cotton farming

Vision to be the food basket of the world

Holistic and comprehensive reforms for agriculture

Agriculture (2/4)

- National Mission on High Yielding Seeds
 - Targeted development and propagation of seeds with high yield, pest resistance and climate resilience

Food processing and productivity

- Support for food processing
 - Establishment of National Institute of Food Technology, Entrepreneurship and Management in Bihar
- Makhana Board in Bihar
 - Board will be set up to improve production, processing, value addition, and marketing and organization of FPOs
- Comprehensive program for vegetables and fruits
 - Initiative launching to boost production, supply efficiency, processing, and ensure fair prices for farmers

- Fisheries
 - Framework development underway for sustainable fisheries in Indian EEZ and High Seas, focusing on Andaman & Nicobar and Lakshadweep Islands

Technology, innovation and skilling

- Building rural prosperity and resilience
 - Program to launch targeting under-employment in agriculture via skilling, investment, technology and rural economic stimulation
- Gene bank for crop germplasm
 - Second gene bank with 10 lakh germplasm lines will be set up for future food and nutritional security

Prime Minister Dhan-Dhaanya Krishi Yojana to impact 1.7 crore farmers

10 lakh germplasm lines

Comprehensive program for vegetables and fruits

National Mission on High Yielding Seeds

Agriculture (3/4)

- Research, development and innovation
 - To implement private sector driven research, development and innovation allocation of INR20,000 crore

Financial inclusion and investment

- Enhanced credit through KCC
 - Facilitate short term loans for 7.7 crore farmers, fishermen and dairy farmers with enhanced loan of INR5 lakh
- India Post as a catalyst for the rural economy
 - India Post along with India Post Payment Bank, will be repositioned to act as a catalyst for the rural economy
 - India Post to transform into a major public logistics entity serving Viswakarmas, entrepreneurs, women, SHGs, MSMEs and large businesses

- Revision in classification criteria for MSMEs
 - Investment and turnover limits for classification of all MSMEs will be enhanced to 2.5 and 2 times respectively
- Grameen Credit Score
 - Public Sector Banks to develop 'Grameen Credit Score' framework to serve the credit needs of Self Help Group members and people in rural areas
- Export Promotion Mission
 - Export Promotion Mission to be established with sectoral and ministerial goals, enhancing export credit, cross-border factoring, and MSME support against non-tariff barriers abroad

Expenditure towards
agriculture and allied activities
INR1,71,437 crore

Facilitate **short term
loans** for **7.7
crore farmers**

Allocation for research,
development and innovation
INR20,000 crore

Agriculture (4/4)

- Deep Tech Fund of funds
 - Will be explored to catalyze the next generation startups as a part of this initiative
- Asset Monetization Plan 2025-30
 - Will be launched with a target of INR10 lakh crore
- Key Direct Tax proposals
 - No specific corporate tax changes for the Agriculture sector
- New income-tax bill to be released
 - Start-up incorporation sunset date extended by five years to 31 March 2030 for 100% profit deduction for three years within a 10-year period
- Key Indirect Tax proposals
 - Existing exemption has been extended on certain products related to
 - Naphtha, for use in the manufacture of fertilisers
 - Fish meal for use in manufacture of aquatic feed till 31 March 2027
 - Exemptions for planting materials, algal oil for aquatic feed, and List 1 goods in seafood processing until 31 March 2026

INR10 lakh crore

Budget for asset monetization

Extension in sunset date for incorporation of start-ups by

Five years

Extension of customs exemption for Naphtha and rationalization of BCD on marine products

Automobile (1/4)

- In case of amalgamation or reorganization, the loss carry-forward is limited to eight years from the loss' initial year.
- Increased TDS thresholds and the removal of higher rates for non-filers to simplify tax compliance.
- New presumptive tax regime proposed for non-residents in electronics manufacturing to boost investment in India's automotive electronics sector.
- Proposed personal income tax cuts for FY 2025-26 to enhance middle-class disposable income and stimulate demand in the automotive market.
- Summarized key duty rate changes in subsequent paragraphs:
- Decrease in tariff rate with no change in effective rate (with effect from 2 February 2025)

S. No.	Commodity	Rate of duties	
		From (%)	To (%)
1.	Motor cars and other motor vehicles principally designed for the transport of persons, including station wagons and racing cars, under tariff heading 8703 >US\$ 40000	125 (tariff rate) 100 BCD + 10 SWS	70 (tariff rate) 70+ 40 AIDC

3.	Addition of 35 capital goods/machinery for use in the manufacture of lithium-ion battery of EVs and 28 capital goods/machinery for use in the manufacture of lithium-ion battery of mobile phones	7.5% to 15%	Nil

**Boost to semiconductor
and electronics
manufacturing industry**

Chemicals (1/3)

In the pursuit of Viksit Bharat, the following announcements were made to invigorate MSMEs and bolster manufacturing and exports providing an impetus to the Chemicals industry:

Boost to manufacturing

- Setting up of an additional urea plant with annual capacity of 12.7 lakh metric tons at Namrup, Assam will cause positive impact for the *Fertilizers sector*
- Setting up National Manufacturing Mission for furthering 'Make in India' which will also support Clean Tech manufacturing will cause positive impact for the *Chemicals sector*
- Implementation of scheme under National Action Plan for toys that will represent 'Make in India' brand will cause positive impact for the *Specialty chemicals sector*
- Three year pipeline of infrastructure projects under PPP mode will be

announced causing positive impact for the *Construction chemicals sector*

- Plan to develop at least 100GW of nuclear energy by 2047 with active partnership with private sector will cause positive impact for the *Specialty chemicals sector*

Impetus to MSMEs

- To support MSMEs, several financial policies have been announced:
 - Investment and turnover limits for classification of all MSMEs will be enhanced to 2.5 and 2 times respectively
 - Setting up of Export Promotion Mission facilitating easy access to export credit, cross border factoring support and tackle non-tariff measures in overseas countries
 - Enhance Credit Guarantee Scheme for MSMEs in the Manufacturing sector
 - Customized credit cards with INR5 lakh limit for micro enterprises

Incentives to MSME Sector

12.7 lakh metric tonne

Annual capacity of new urea plant in Namrup, Assam

Chemicals (2/3)

Focus on Ease of doing business and Skilling

- Scope for fast-tracker mergers will be widened and process for speedy approvals for company mergers will be rationalised
- Current model of bilateral investment treaties will be revamped and made more investment friendly
- Setting up National Centres of Excellence for skilling and specific policy and facilitation measures for labour intensive sectors will be undertaken
- National framework will be formulated for promoting Global Capability Centres in Tier 2 cities

Investment in economy

- Allocation of INR20,000 crores to implement private sector driven research, development and innovation initiative
- Asset Monetization Plan will be launched with a target of INR10 lakh crore for 2025-30

Key Direct Tax related proposals

- New finance bill will be announced
- No specific announcements for chemical sector

INR20,000 crore

Allocation towards private sector research, development and innovation

Asset Monetization Plan
2025-2030

INR10 lakh crore

Chemicals (3/3)

Key Indirect Tax related proposals

- Reduction in Basic Customs Duty (BCD) From 10% to 7.5% on Aminophylline (cordophyllin), Trimethoprim, Diethyl carbamazine citrate, 1-Amino-4-Methyl piperazine, Other -Compounds containing an unfused triazine ring (whether or not hydrogenated) in the structure - *effective from 2 February 2025*
- 10% concessional benefit available on import of Phosphoric Acid from the United States of America is withdrawn - *effective from 2 February 2025*
- Laboratory chemicals: Rationalization in overall custom duty
 - Reduction in BCD from 150% to 70%
 - Revision in Agriculture Infrastructure and Development Cess (AIDC) from Nil to 70%
 - Exemption from Social Welfare Surcharge (SWS)
- Critical minerals: BCD exemption effective from *1 May 2025*
 - For cobalt powder and waste, the scrap of lithium-ion battery, lead, zinc and twelve critical minerals

Critical Minerals

Exempted from BCD

Rationalization of overall custom duty structure

Consumer Products & Retail (1/2)

- Launch a six- year mission to enhance pulses through climate-resilient seeds, increased protein, improved productivity, and better post-harvest practices while ensuring fair prices for farmers.
- Makhana Board to be established in Bihar to improve production, processing, value addition and marketing of Makhana.
- Focus product scheme to be implemented for footwear and leather sectors to facilitate employment for 22 lakh individuals, generate a turnover of INR4 lakh crore and exports of over INR1.1 lakh crore.
- Scheme to make India a global hub for toys to be implemented, focusing on development of clusters, skills, and a manufacturing ecosystem to create high-quality, unique, innovative, and sustainable toys.
- Top 50 tourist destination sites in the country will be developed in partnership with states through a challenge mode.
- Five National Centres of Excellence (CoEs) for skilling to be set up with global expertise and partnerships to equip our youth with the skills required for “Make for India, Make for the World” manufacturing.
- Setting up a National Institute of Food Technology in Bihar, boosting farmer income, and providing skill development, entrepreneurship and employment for youth.
- TCS on sale of goods abolished effective 1 April 2025 and TDS rates rationalized for multiple sections.

Media & Entertainment

- Top 50 tourist destination sites in the country to be developed in partnership with states:
 - Measures are proposed for facilitating employment-led growth in tourism.
 - Medical tourism and Heal in India will be promoted in partnership with the private sector.
- Additional Centre of Excellence in AI announced for education with a total outlay of INR500 crore.
- A Deep Tech Fund of Funds will be explored to catalyze next generation start-ups:
 - Credit guarantee cover enhanced for start-ups.
 - Guarantee fee reduced to 1% for loans in 27 focus sectors.
- Extension of time limit for incorporation of eligible start-ups up to 1 April 2030.
- New income tax bill to be introduced next week.
- No changes in corporate tax rates.
- Threshold on applicability of TDS on winnings from horse race and winnings from any lottery, crossword or puzzle, etc., revised to INR10,000 in respect of single transaction instead of aggregate limit per annum.
- Definition of Virtual Digital Asset (VDA) amended to include crypto-assets:
 - Reporting of transactions in crypto-assets to be made in a prescribed manner.

50 tourist sites to be developed

CoE with an outlay of INR500 crore

Definition of VDA amended to include crypto-assets

Oil & Gas

- The IFSC ship leasing framework, including vessels for oil and gas, offers new tax incentives for IFSC-based ship leasing units:
 - Non-resident shareholders or IFSC units primarily engaged in ship leasing are granted a capital gains tax exemption on the transfer of equity shares in domestic IFSC units, provided the gains are realized within 10 years of the investee unit's operational commencement
 - Dividend paid by a company being a unit of IFSC engaged primarily in ship leasing, to a unit of IFSC engaged primarily in ship leasing
- Following tax exemption sunset clauses for IFSC ship leasing units extended to March 31, 2030 (from 31 March 2025):
 - Royalty/ interest income paid by an IFSC unit to non-resident on leasing of ships
 - Gains arising on sale of leased ships (within the tax holiday period) by the IFSC unit
 - Non-residents' purchases in India for export would not constitute significant economic presence

Sunset clause for IFSC unit extended to 31 March 2030

Dividend and capital gain exemption - extended to ship leasing in IFSC

Real estate

- Continued focus on introducing reforms and incentives for urban land development
 - Set-up of Urban Challenge Fund of INR1 lakh crore to implement proposals announced in July 2024 Budget such as 'Cities as growth hubs', 'Creative redevelopment of cities' and 'Water and Sanitation'
 - Announcement of SWAMIH Fund 2 of INR15,000 crore for expeditious completion of 1 lakh units in stressed housing projects
 - Plan to develop 50 tourism sites across country, hotels in such tourism sites will be included in Infrastructure Harmonised Master List
 - The annual threshold for deduction of tax at source of INR2,40,000 on rent has been changed to INR50,000 per month or part of the month. This is applicable with effect from 1 April 2025
- For FY 2024-25 and onwards, the deemed annual value of a second self-occupied property, which the owner cannot occupy due to any reason, will be considered as NIL for the purpose of calculating income under the head 'House Property'. Previously, this concession was limited to cases where non-occupation was due to employment, business or profession conducted elsewhere
 - Amendment in CGST Act to replace 'plant or machinery' with 'plant and machinery'. This is effective from 1 July 2017

Telecom

- Union Budget 2025 reflects the government's commitment to strengthening India's digital infrastructure and ensuring that telecom remains a key enabler of economic growth.
- Impetus given to create telecom infrastructure for providing broadband connectivity to Gram Panchayats and provisioning of broadband services in rural areas.
- The Budget focuses on introducing various measures aimed at supporting the 'Make in India' theme:
 - Reduction in BCD rates of various components for manufacture of certain mobile phone parts.
 - BCD reduced from 20% to 10% on carrier grade ethernet switches making it at par with non-carrier grade ethernet switches.
- Conditional exemption rate to continue up to 31 March 2027 for goods for the manufacture of telecommunication grade optical fibres or optical fibre cables.
- Ease of doing business considerations:
 - Presumptive taxation regime for non-residents engaged in providing services or technology to a resident company establishing or operating electronics manufacturing or connected facility.
 - Transfer pricing provisions for carrying out multi-year arm's length price determination.
 - Scope for fast-track merger of companies to be widened and merger process to be rationalized.
 - New income tax bill to be introduced.
 - TCS defaults to be decriminalized.
 - TDS rates and threshold limits to be rationalized.

BharatNet Project expenditure increased from
INR6,500 crore to
INR22,000 crore

Power & Utilities

Clean tech manufacturing:

- Focus on accelerating clean tech manufacturing—solar PV cells, EV batteries, motors and controllers, electrolyzers, wind turbines, ultra-high voltage transmission equipment, and grid-scale batteries—to enhance domestic value addition and develop a robust ecosystem.

Electricity:

- Incentivizing electricity distribution reforms and augmentation of intra-state transmission capacity by states.
- Allowing additional borrowing of 0.5% of Gross State Domestic Product (GSDP) for states, contingent on the proposed reforms.

Nuclear energy:

- Development of at least 100GW of nuclear energy by 2047.
- To facilitate private sector engagement towards this goal, amendments to the Atomic Energy Act and the Civil Liability for Nuclear Damage Act are proposed.
- Allocation of INR20,000 crore for establishment of Nuclear Energy Mission for research and development of Small Modular Reactors (SMR).
- Operationalization of at least five indigenous SMRs by 2033.

Electric Vehicle (EV) industry:

- To boost electric vehicle manufacturing, 35 additional capital goods, including scrap and waste of lithium-ion batteries, will be exempt from customs duties.
