TO ALL KNOWN MEMBERS AND CREDITORS

19 December 2022

Ref: SJW/HJO/AH/PCF/ADM09F01
Email: SLGadministration@uk.ey.com

Dear Sirs

Specialist Leisure Group Limited (“SLGL”)
Shearings Group Limited (“SGL”)
Shearings Holidays Limited (“SHOLL”)
Shearings Limited (“Shearings”)
National Holidays Tours Limited (“NHTL”)
National Holidays Limited (“NHL”)
Wallace Arnold Travel Limited (“WATL”)
UK Breakaways Limited (“UKB”)
all in administration and together (the “Companies”)

I write further to the Companies entering administration on 22 May 2020 (the “**Date of Appointment**”), with S J Woodward and C P Dempster appointed to act as administrators (the “**Joint Administrators**”).

I write, in accordance with Rule 18.3 of the Insolvency (England and Wales) Rules 2016, to provide creditors with a report on the progress of the administrations. This report covers the period from 22 May 2022 to 21 November 2022 (the “**Period**”) and should be read in conjunction with the Joint Administrators’ Statement of Proposals dated 3 July 2020 (the “**Proposals**”), as well as the previous Joint Administrators’ Progress Reports, dated 21 November 2020, 21 June 2021, 21 November 2021 and 14 June 2022 (the “**Previous Reports**”).

Together with Shearings Hotels Limited (“**Hotels**”), the Companies formed part of the Specialist Leisure Group (the “**Group**”). As with the Proposals, the progress report for Hotels is prepared separately in accordance with Rule 3.93 of the Insolvency (Scotland) (Company Voluntary Arrangements and Administration) Rules 2018.

Statutory information about the Companies, the administration and the office holders is detailed in Appendix A.

Further specific detail with regard to the receipts and payments received and incurred during the Period is attached at Appendix B. Please note that these accounts do not reflect future estimated realisations or costs, including the Joint Administrators’ remuneration and disbursements.

Receipts and Payments in the Period

Receipts

Motor Vehicles

As previously reported, we instructed agents SIA Group to sell certain assets of the Companies on our behalf. During the Period, and following a final account reconciliation, we received the sum of £1,666.67 from SIA Group relating to the sale of motor vehicles owned by SL.

Payments

As part of the administration, certain costs have been incurred by the Joint Administrators and paid by certain Group entities and recharged across the Group where necessary. These costs are detailed below:

Storage Costs

Across the Companies £697.00 has been paid in the Period to Iron Mountain UK Plc for off-site storage of the Companies' books and records.

Bank Charges

Bank charges totalling £2.70 across the Companies have been paid in Period.

Legal Fees

Legal fees of £55,637.56 have been paid in the Period to DLA Piper UK LLP. A recharge of these costs will be applied across the Group shortly.

Summary of Progress during the Period

I have detailed below the principal workstreams progressed during the Period.

Corporation Tax

Obligations in relation to the submission of corporation tax returns continue in an administration and with the assistance from EY's Tax team, returns for the year ending May 2022 have been submitted during the Period for each of the Companies. All corporation tax liabilities have been paid and the Joint Administrators have written to HM Revenue & Customs to seek necessary tax clearance to close the administrations. We await their reply.

VAT

We are in the process of finalising VAT returns for the period of the administrations and we will seek the final necessary tax and VAT clearances before the end of the administrations once all required returns have been submitted to HMRC and outstanding work has been completed.

Distributions to Creditors

Secured Creditors

A final distribution of £91k was paid to LBG in the Period. Total distributions to date to LBG from the Group's fixed charge realisations total £10.791m.

LBG have suffered a shortfall against their lending.

Preferential Creditors

As mentioned in the Previous Reports, the Statement of Affairs ("SoA") at the Date of Appointment estimated preferential creditor claims to be c.£653k (Shearings: £397k, SLGL: £32k and NHL: £224k).

There are insufficient floating charge realisations to enable a distribution to preferential creditors in the applicable Companies.

Non-preferential Creditors

Based on the SoA of the Companies at the Date of Appointment, it is estimated that total non-preferential claims will be in the region of £405m, detailed in the table below:

Company	Statement of Affairs		Claims received to date	
	No of creditors	Value of non-preferential liabilities (£)	No of claims	Value of claims (£)
SLGL	1	746,408	13	11,945,522
SGL	7	116,866,214	9	12,600,676
SHOLL	51,885	86,491,214	73	15,155,314
SHEARINGS	445	51,321,144	137	14,403,050
NHTL	44,014	119,686,201	94	13,472,433
NHL	144	21,807,936	76	12,553,399
WATL	316	1,326,498	8	11,010,275
UKB	4,161	6,254,330	41	14,144,137
Total	100,973	404,499,946	451	105,284,806

The value of non-preferential creditors can be summarised in the following categories: i) trade creditors - £134m; ii) customers - £32m; and, iii) intercompany creditors - £239m.

A total of 451 creditor claims have been received to date totalling £106m.

Due to insufficient asset realisations to cover the shortfall in the secured lenders funding, there are no funds available for a distribution to the unsecured creditors of the Companies. In the Previous Reports we noted that a distribution may be possible to the unsecured creditors of NHTL by virtue of the Prescribed Part, further details of which are below.

Prescribed Part

The prescribed part is a proportion of floating charge assets set aside for unsecured creditors pursuant to section 176A of the Insolvency Act 1986. The prescribed part applies to floating charges created on or after 15 September 2003.

As the Companies' floating charges were created after 15 September 2003, the prescribed part applies to the Companies.

NHTL is the only company within the Group with sufficient floating charge realisations to enable a distribution by virtue of the prescribed part.

As explained in our Previous Reports, in consideration of the number of creditors in NHTL, estimated to be 44,000 with an anticipated claims value of £120m per the SoA, and having sought appropriate legal advice on this matter, the Joint Administrators considered that the costs of adjudicating and processing a prescribed part distribution to unsecured creditors would likely be disproportionate to the benefits of making said distribution.

In light of the above, which is stated with appropriate consideration of the content of Section 176A of the Act, the Joint Administrators filed an application to seek direction from the court to disapply the prescribed part in NHTL. The prescribed part in NHTL was set aside, by order of the court on 16 September 2022. Notices to creditors and to the registrar of companies have been issued in the prescribed form and in accordance with the court order.

There are insufficient floating charge realisations within the other Companies to enable a distribution under the prescribed part.

Joint Administrators' Remuneration

The statutory provisions relating to remuneration are set out in Part 18 of the Insolvency (England and Wales) Rules 2016. Further information is given in the Association of Business Recovery Professionals' publication 'A Creditors' Guide to Administrators' Fees', a copy of which may be accessed from the web site of the Institute of Chartered Accountants in England and Wales at <https://www.icaew.com/en/technical/insolvency/creditors-guides> or is available in hard copy upon written request to me.

In certain circumstances, creditors are entitled to request further information about our remuneration or expenses or to apply to court if they consider the costs to be excessive (Rules 18.9 and 18.34 of the Insolvency (England and Wales) Rules 2016). Further information is provided in 'A Creditors' Guide to Administrators' Fees' referred to above.

An analysis of the time spent across each of the Companies, in accordance with Statement of Insolvency Practice 9 ("SIP9"), and a comparison with the respective fee estimates dated 3 July 2020 (the "Fee Estimate"), is attached at Appendix D to this report. In support of the SIP9 analysis is a description of work carried out in the Period. It should be noted that each category of work has been carried out in all Companies, unless specifically stated.

The Joint Administrators have not drawn remuneration in the Period but have incurred time costs across the Companies totalling £194k.

Time costs from the 22 May 2020 to 21 November 2022 total £5,420k. This represents an aggregate variance of £1,044k to the Fee Estimate, which outlined time costs would total £4,376k across the administrations of all Companies, however it is not expected that remuneration will be drawn in excess of the Fee Estimate.

This position is outlined, in summary, in the table below:

Company	Time costs during the Previous Periods (£)	Time costs incurred during the Period (£)	Total time costs (£)	Time costs per Fee Estimate (£)	Variance (£)
SLGL	198,935	22,827	221,761	159,373	(62,388)
SGL	379,776	31,058	410,834	261,366	(149,468)
SHOLL	1,185,094	13,087	1,198,181	1,067,673	(130,508)
Shearings	1,119,796	14,407	1,134,203	875,607	(258,596)
NHTL	1,120,421	65,757	1,186,178	1,015,572	(170,606)
NHL	529,466	22,371	551,837	392,667	(159,170)
WATL	385,602	13,871	399,472	325,349	(74,123)
UKB	307,224	11,126	318,350	278,492	(39,858)
Total	5,226,313	194,504	5,420,817	4,376,099	(1,044,718)

As outlined in the table above, the Fee Estimate has now been exceeded in all entities. Outlined below, are the principal reasons for the negative variances between time costs incurred to date versus the Fee Estimate:

SGL

- ▶ **Administration and planning** –the majority of work in relation to SGL that is driving the negative variance is due to administrative work. This includes organising payments to vendors and ensuring recharges across the Group have been appropriately apportioned. In addition to this, there are monthly bank reconciliations to be completed to ensure all receipts have been recognised appropriately.
- ▶ **Bank reporting** – as part of our regular updates to the Secured Creditor, we report on the performance to date against the estimated outcome statement provided at the outset of the administrations. Given the size of the Group and the complexity of recognising receipts and payments accurately, additional time than originally envisaged was taken to ensure accurate reporting. Future estimated realisations and costs are also needed as part of our reporting, which required additional time to review and draw appropriate conclusions on the likely associated values and timings.

Shearings:

- ▶ **Administration and planning** – operational activity relating to the continuity of services, to preserve value in key assets, occurred in Shearings. This was more time intensive than initially anticipated.
- ▶ **Property** – a higher degree of work was undertaken to ensure maximum value was achieved in the property assets of Shearings, including more protracted negotiations than initially anticipated during the sale of the Normanton Interchange.
- ▶ **Realisation of Assets** – further work has been undertaken in realising the residual assets of Shearings' than initially anticipated, e.g. stock, intellectual property, motor vehicles and office equipment.

SHOLL and NHTL

- ▶ **Customers and Bonds** - Given the nature of the business, there have been multiple customer queries to resolve through email, letter and phone calls. The Joint Administrators have worked closely with ABTA, the CAA, the Confederation of Passenger Transport, Bonded Coach Holidays and the merchant service provider throughout the administrations to remain aligned on messaging to customers.
- ▶ **Realisation of Assets** – A significant amount of time has been spent on realising pre-paid flights and tickets which were purchased by SHOLL and NHTL prior to administration.

NHL and Shearings:

- ▶ **Employees** – several emails and letters have been received from employment tribunals regarding claims for former employees of NHL. We have exceeded forecast time as we did not anticipate the level of claims that we have since received. The administration team have also completed work in respect claiming outstanding pension payments due to employees of NHL.

Group:

- ▶ **VAT & Taxation** – liaising with HMRC to complete VAT and Corporate Tax returns across the Group. This is a statutory requirement which must be completed.
- ▶ **Administration and planning** – as well as for the reasons outlined above for SGL, due to the length of the group administrations and additional ongoing administrative activities associated, the administration and planning workstream has significantly exceeded the level that the Fee Estimate had originally anticipated.
- ▶ **Creditors** – due to the length of the administrations and volume of creditor correspondence received the time requirements in this category have exceeded the level originally estimated.

Disbursements

The Joint Administrators have not incurred or drawn any category 1 or category 2 disbursements during the Period.

Payments to Other Professionals

Further to those outlined in our Previous Report, the Joint Administrators engaged the following professionals to assist in the administrations of the Companies during the Period. They were chosen on the bases of their experience in similar assignments.

A breakdown of expenses incurred in the Period and to date is included at Appendix C to this report, including a comparison against the estimate of expenses dated 3 July 2020.

End of the administrations

It is proposed that if at the end of each administration (21 May 2023) the Companies have no property which might permit a distribution to its creditors, the Joint Administrators will send a notice to that effect to the registrar of companies. On registration of the notice the Joint Administrators' appointment will come to an end. In accordance with the provisions of paragraph 84(6) of Schedule B1 to the Insolvency Act 1986 the Companies will be deemed to be dissolved three months after the registration of the notice.

Remaining Work

The Joint Administrators will continue to carry out their statutory duties and to deal with matters in order to achieve the objectives of the administrations, as set out in the Proposals. Future tasks will include, but may not be limited to, the following;

- ▶ finalise the inter-company trading position;

- ▶ continue to prepare and deliver necessary reports to stakeholders; and
- ▶ any such actions the Joint Administrators consider, in their reasonable opinion, are necessary and/or expedient to fulfil the purpose of the administrations and to bring them to a conclusion.

Further Explanatory Notes:

1. SIP 9 defines expenses as amounts properly payable from the insolvency estate which are not otherwise categorised as office holders' remuneration or distributions to creditors.
2. SIP 9 defines disbursements as a type of expense which is met by, and reimbursed to, an office holder in connection with an insolvency appointment. Disbursements fall into two categories: category 1 and category 2.
 - Category 1 disbursements are payments to independent third parties where there is specific expenditure directly referable to the appointment; and
 - Category 2 disbursements are expenses which are directly referable to the appointment but not a payment to an independent third party. They may include shared and allocated costs.
