

US Week in Review

Week ending 10 October 2024

The US Week in Review highlights this week's developments and emerging issues in the financial reporting world and gives you direct access to relevant technical accounting guidance and thought leadership produced by EY.

In this issue:

What's new from EY.....	1
Standard Setter updates.....	1
Upcoming webcasts.....	2

What's new from EY

Technology assurance: assess risk, build trust and create resilience publication now available

Our publication summarizes three actions companies should take when adopting new technology: assess information technology risks, create transparency through system and organizational control reporting, and build a plan for managing cyber threats.

SEC in Focus - October 2024 summarizes SEC developments in the previous quarter

Register for our Financial reporting for private companies - what you need to know for 2024 webcast on 12 November

EY exists to build a better working world, helping to create long-term value for clients, people and society and build trust in the capital markets.

Enabled by data and technology, diverse EY teams in over 150 countries provide trust through assurance and help clients grow, transform and operate.

Working across assurance, consulting, law, strategy, tax and transactions, EY teams ask better questions to find new answers for the complex issues facing our world today.

EY refers to the global organization, and may refer to one or more, of the member firms of Ernst & Young Global Limited, each of which is a separate legal entity. Ernst & Young Global Limited, a UK company limited by guarantee, does not provide services to clients. Information about how EY collects and uses personal data and a description of the rights individuals have under data protection legislation are available via ey.com/privacy. EY member firms do not practice law where prohibited by local laws. For more information about our organization, please visit ey.com. Ernst & Young LLP is a client-serving member firm of Ernst & Young Global Limited operating in the US.
