EY | Building a better working world

La raison d'être d'EY est de participer à la construction d'un monde plus équilibré, en créant de la valeur sur le long terme pour nos clients, nos collaborateurs et pour la société, et en renforçant la confiance dans les marchés financiers.

Expertes dans le traitement des données et des nouvelles technologies, les équipes EY, présentes dans plus de 150 pays, contribuent à créer les conditions de la confiance dans l'économie et répondent aux enjeux de croissance, de transformation et de gestion des activités de nos clients.

Fortes de compétences en audit, consulting, droit, stratégie, fiscalité et transactions, les équipes EY sont en mesure de décrypter les complexités du monde d'aujourd'hui, de poser les bonnes questions et d'y apporter des réponses pertinentes.

EY désigne l'organisation mondiale et peut faire référence à l'un ou plusieurs des membres d'Ernst & Young Global Limited, dont chacun représente une entité juridique distincte. Ernst & Young Global Limited, société britannique à responsabilité limitée par garantie, ne fournit pas de prestations aux clients. Les informations sur la manière dont EY collecte et utilise les données personnelles, ainsi que sur les droits des personnes concernées au titre de la législation en matière de protection des données sont disponibles sur ey.com/privacy. Les cabinets membres d'EY ne pratiquent pas d'activité juridique lorsque les lois locales l'interdisent. Pour plus d'informations sur notre organisation, veuillez vous rendre sur notre site ey.com.
